

HUSSL TC4

TC4 is a lightweight, sturdy, stable table. Easy. Versatile.

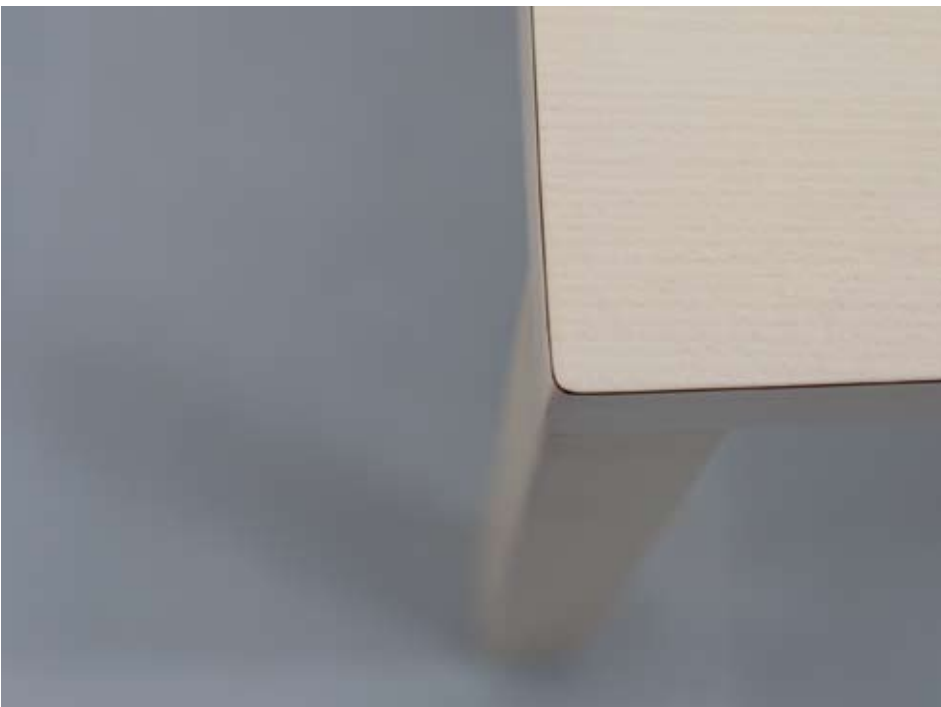

**TISCH ≠ TISCH
HUSSL = HUSSL**

Available in a range of heights, the TC4 has a wide variety of possible applications, from worktop to “normal” table or side table. Its simple design means TC4 can be easily integrated into the most diverse rooms and spaces from square to rectangular, and is lightweight and easy to move: just right for constantly adapting design and ensemble. Perfect for tough conditions in public or commercial buildings thanks to its solid workmanship and hard-wearing surfaces.
